

# We are Open

We have implemented a new scheduling system to help with social distancing for our patients and employees.

A) **All patients/parents are required to fill out an online screening form prior to their scheduled appointment.** This form is found on our website under the “Existing Patient Forms” tab and it is titled: Covid-19/Info Update Form.

If anyone in your family has experienced flu like symptoms (fever, coughing, shortness of breath) in the past three weeks please contact our front desk to reschedule your appointment.

B) **All parents/children should wear a mask** or a cloth covering that can go over nose/mouth and should be worn throughout the appointment.

C) **We ask 1 patient : 1 parent**, to help maintain proper social distancing guidelines.

D) Upon arriving, temperature checks and hand sanitizing will occur.

Community safety and well-being is of highest priority for our practice and we thank you for your help. Please email us with any questions regarding scheduling.

We cannot wait to see you!  
Your team at Kirkland Kids Dentistry
